FINDINGS						
Act or Regulation	Category	Date non-compliance identified	Date of compliance	Compliance Status		
Assisted Living Regulation	Providing Assisted Living services	December 12, 2025	December 16, 2025	In compliance		
Requirement: Section 64 (1) Managing medication generally. A registrant who provides assistance with managing medication must make a plan describing the procedures to be followed to (a) ensure that assistance with managing medication is provided in a manner that does not jeopardize health or safety.			Compliance Action by Registrant (Operator): The registrant delivered individualized training on the medication policy to staff and reinforced the expectations outlined in the residence's medication management policy. The registrant also implemented staff support measures by creating and posting medication-related signage as reminders.			
Observation: Staff failed to follow the residence's medication administration policy, resulting in a medication error.			No further action.			
Actions taken or to be taken by Registrant (Operator): The registrant is required to review and re-educate staff on the medication management policy and related procedures. The registrant must provide documented evidence to the Assisted Living Registry confirming that this training has been completed.						
Actions taken or to be taken by Registry: No further action is required.
